

70% sold, 100% delighted.

See how happy you could be at Oakdene Corner.

We could tell you how exceptional Oakdene Corner is. How these luxury new two and three bedroom apartments blend the very best in style and convenience. We could talk about the unrivalled location in Cobham, Surrey, the excellent choice of apartments, the focus on quality by an award-winning housebuilder. We could say all that, and more. But we'd rather our delighted purchasers do so for us.

"The moment I saw Oakdene Corner I knew it was a fantastic opportunity to buy into a very stylish development built to the highest standards in a sought after location. The light-filled rooms, designer kitchens and bathrooms, and no external maintenance worries, were other deciding factors. The purchase of my apartment has been a really good decision."

Michael Roberts

"Oakdene Corner was just perfect for us. We'd come to the decision it was time to downsize and this offered everything that we were looking for with the convenience of everything we needed right on our doorstep. We know that we're going to be very happy here."

Peter & Mavis Greaves

"I told my daughter that it would take something really special for me to move. Then one day I visited Oakdene Corner, in such a wonderful location in the centre of Cobham, and I realised that this was indeed something special! It's everything that I ever wanted."

Jean Fuge

"We'd visited other Banner developments and liked the construction and quality so much that we knew we wanted to buy one of their homes. We didn't think we'd ever move into an apartment though. But when we visited Oakdene Corner we soon changed our minds! We've been living here for a few weeks now and are very impressed with the way we've been looked after by Banner Homes."

Myra & Richard Halfin

"The apartment ticked all the boxes on my wish list – three bedrooms, great central location, two parking spaces, a spacious layout and a home that wouldn't need any adaptations. It's the ideal base for me to travel to tennis tournaments around the world and achieve my goal of participating in the Paralympic Games in 2012."

John Parfitt

"We'd lived in Cobham in the past while working in London. The village made a lasting impression on us. When we saw Oakdene Corner we knew it was our ideal second home. Airy, bright, well-featured, and in easy reach of local shops and London too. For the level of apartment and location the price was very reasonable, and I was pleased to have my offer accepted. We found the purchasing process very easy and smooth too – even from Canada!"
