Circus Street, Brighton

Circus St, Brighton BN2 9AN

Cathedral Group recruited us to help with a development partnership with Brighton and Hove City Council. The challenge was to provide a rich mix of uses on a very sensitive site in the centre of the city to a density never before attempted.

The consultancy provided advice and advocacy for the scheme along with Shedkm's highly sensitive and innovative design to ensure the design was worthy of its effect on heritage settings. It is now complete.
