

SAVILLS PETERBOROUGH

Rural and residential valuations and professional services

How we work differently

Our Professional team undertakes a diverse range of valuation and consultancy services for private clients, public bodies, charities, lenders and institutional landowners, to name a few.

As market leaders, we offer a wide range of services providing unrivalled expertise. With access to specialist teams including research, residential and farm agency, farm business consultancy, energy, planning and development, architectural design, leisure and forestry.

We are able to recognise opportunities and add value for our clients.

Why choose us

We're here to help people thrive through places and spaces.

No matter the project or service, you can always expect four key things from us:

Be heard: If it matters to you, it matters to us. We take the time to listen to your unique needs and aspirations.

Be challenged: We're not afraid to question the status quo and always give our honest, informed opinion.

Be empowered: You make smarter decisions with the right advice at your fingertips.

Be partners: You get the best results when we work as one, collaborating to build personal, lasting relationships.
