THE MOST CONNECTED
TEAM AND EXCLUSIVE
PROPERTY.

Creating a trusted inner circle doesn't happen overnight. Ian, Trevor and Stephen have worked for over 25 years to build up an unequalled global network of unique connections for you to tap into.

They have helped many of the world's most high-profile individuals, and their loved ones, find, acquire and set-up homes. Across countries and continents, for the long and short-term. Along the way, a few have become close personal friends. It's these close ties that set them apart from the rest.
